

TOOL BARN CONTRACTOR TRAILER

MORE PAYLOAD • MORE DURABILITY • MORE WORKABILITY
MORE VISIBILITY • MORE ACCESSIBILITY • MORE SECURITY

HEAVY DUTY LADDER RACKS WITH ROLLER

REAR STEP

INTERIOR CABINET

ALUMINUM TOOLBOX

Our new, innovative Tool Barn trailer provides the ultimate in durability, convenience, and accessibility. Get the job done faster and easier with 6" extended tongue, all-aluminum toolboxes, ladder racks, a tongue mounted ladder, swing down jacks, wall mounted E-track, and more. Upgrade to the Millhouse Edition for even more features like heavy duty ladder racks and drop leg jacks, a rear step, and reinforced roof.

Protect your investment with solid all-aluminum toolbox construction. Our convenient top hinge counter design allows you to work on projects outside your trailer. The innovative design of the interior cabinet allows you to access tools from inside the trailer without clearing off the counter.

Trailers may be shown with optional features. Specifications subject to change without notice.
